SNOW SCULPTURE WINNERS ARE ANNOUNCED

On Sunday afternoon, Feb. 29, Judge Rolfe Glines and photographer Tom Hutchinson made the rounds to see who might be the winners of this year's Snow Sculpture Competition. Entries were a bit scarce this year (many folks wanting to enter were down with the notorious "Cold" that's been hugging us all winter), but the sculptures entered were marvelous. The enthusiasm and excitement shown by these sculpturing groups was absolutely tremendous, and they all deserve congratulations for the wonderful jobs they did.

The winning group in the Youth Division was Ruth Feeney's Bethel Girl Scout Troop. Thirty girls participated in creating a beautiful creation of Snoopy the Dog, resting on top of his "home sweet home" dog house. It was a very colorful sculpture, their having used food dyes to help create the highlighting effects. The girls worked diligently for 2½ days in order to be ready on time for the judging.

And the winning Adult group was the "Bethel Tellers", a group of eight folks from Paradise Hill, Bethel. Their sculpture was "The Bethel Snow Bank" completed on a huge pile of snow.

The Snow Sculpture Competition has become an annual event, sponsored by the Bethel Chamber of Commerce. Prizes are awarded by the Chamber. It is hoped more townsfolk will be interested in competing next year. Who knows? It may be YOU who wins in 1977.

HANOVER REPUBLICANS TO CAUCUS MARCH 15

Hanover is entitled to two delegates to each convention. The local caucus will nominate members to serve on the Oxford County Committee.

The Republican State and District Conventions will be held in Augusta on April 30 and May 1.

FIREMEN QUELL BLAZE AT CHARLIE'S PLACE

The Bethel Fire Department was called out on Tuesday at 6:30 a. m. for a fire at Charlie's Place on Main Street. The fire was confined to a small area near a hot water tank. The apparent cause was the short circuiting of a heat tape used to keep water pipes from freezing. No estimate of damage was available.

HISTORICAL SOCIETY HONORS FIRST BETHEL RAIL SERVICE

The monthly meeting of the Bethel Historical Society held on Thursday evening, March 4, in the meeting room of the Moses Mason House featured the commemoration of the first regular service to Bethel, March 10, 1851, exactly 125 years ago. Speaker for the event was John Davis, internationally noted Grand Trunk Railway historian and photographer. Mr. Davis, a former resident of Locke Mills and retired from the U. S. Navy, sketched the development of the railroad in Bethel from its beginnings as a dream of Andover's John A. Poor to the formation of the Atlantic and St. Lawrence Railway which in turn was absorbed by the Grand Trunk in 1854 and much later in 1923 by the Canadian National.

Mr. Davis stressed how important railway service has been to Bethel and how it meant decline to certain towns not included on the railway's route. At the height of the railway's importance, Bethel was a significant connection for freight traveling between Portland and major centers in the Canadian provinces of Quebec and Ontario. But after World War II with the rise of Halifax and the decline of Portland as the central port for much of the Canadian trade, Bethel's railway service began to decline markedly. The last steam engine appeared in Bethel on a regular basis in 1956. In 1968 railway business in Bethel had diminished to the point where the presence of a full time agent was no longer justified. The station was closed that year and in Dec. 1968, the station was razed, bringing the end to an era.

Following Mr. Davis' presentation, the Society by popular demand showed the film, "Gunsmith of Williamsburg", which was part of the film series of Heritage Day. The art of the gunsmith represents in many ways a unique combination of skills: blacksmith, engraver, woodworker. The film carefully detailed the production of an 18th century rifle from its beginnings at the forge to actual testing by the gunsmith.

— Evaline Barrett, Corres. —

Town meeting on March 2 had the largest turnout of several years. Bob Coffin was elected road commissioner for one year with 112 votes, Hammond 36, and Keach 7. Swagay was re-elected selectman. The meeting was interrupted so the volunteer firemen could take care of a chimney fire at Snow Falls.

Mrs. Jackie Stevens is working at the Appleby's children's home from 10 p. m. to 6 a. m.

Mrs. Lois O'Hearn has carried several people to doctors for treatment during the week.

Saturday evening at 7:30 p. m. when Evaline Barrett looked out her bathroom window to see if all the neighbors had retired, she saw flames out of Elmer Taylor's chimney (Noyes place), about three feet high so she alerted the family and the firemen and their equipment arrived shortly. No one knew at the home of the fire and if it had gone unnoticed, we might have been minus another home in our small hamlet.

A fishing derby was held on Moose Pond Sunday between snow storms, but I didn't hear who caught the biggest fish or how many got away.

Stevie Millett spent the week end with the Lawrence as his parents went to Greenwood town meeting Jeffrey and James Coffin also spent the week end there and the time was great sliding. Eva Kennison also called one evening.

The people from Massachusetts who will live on the Lowe farm brought two loads of furniture Sunday. A cattle tank will be put in this week and the water hooked up, providing the digging can get started.

The weather remains cold. This Tuesday morning temperature 10° below zero at 6:30. The sun is shining so will warm up some later in the day. We still have a lot of snow and ice. It does not look very much like spring "is just around the corner."

Some of West Bethel senior citizens went to Rumford on the mtn bus Tuesday. They are looking forward to the meeting at Mt. Abram Ski Lodge this Wednesday March 10.

Thursday night last week the Cleveland Lovejoy's and Cummings attended the Legion meeting at Locke Mills.

Mr. and Mrs. Alanson Cummings took Dorothy West to Rumford on Friday for blood tests.

Mrs. Cleveland Lovejoy took her daughter Ellen to Dr. Martin in Harrison for treatment.

On Monday Mr. and Mrs. A. R. Cummings took Dorothy West and Rebecca back to Rumford to see the doctor.

Jonathan Stowell of Shirley, Mass., came the last of the week. Mrs. Stowell and daughter who had been visiting in West Bethel the past week returned to their home in Massachusetts Sunday. Mrs. Stowell's mother, Mrs. Arthur Gilbert accompanied them. She expects to spend this week with her daughter and family.

Mrs. Lawrence Davis, Mrs. Dorothy Bennett and Mrs. Clara Rolfe were in Norway Saturday.

Gordon Mason is confined to his home with a bad cold.

Carolyn Bennett expects to return to classes at Telstar High School later this week.

Mr. and Mrs. Andrew Boyd visited his parents in Woodville, N. H., on the week end. His father, George Boyd's health remains about the same.

I had a letter from Doris Burris recently. She said the winter in Florida had been lots colder than in 1975. Franklin had just planted his garden. The tomatoes he had planted earlier froze, when they had the frosts we heard reported in Florida. They had recently called on Mr. and Mrs. Ralph Coulombe.

Miss Ellen Lovejoy was given a birthday party on March 3 at the home of her parents, Mr. and Mrs. Cleveland Lovejoy. A spaghetti supper was enjoyed and the lovely cake made by Mrs. Tyrene Lovejoy. Dorothy West was discharged from the hospital, so her husband brought her to the party to make it 100% family affair. Miss Cindy Parker was a special guest.

OUELETTE-KENISTON

Miss Kendra Ann Keniston, daughter of Mr. and Mrs. Floyd F. Keniston, Bryant Pond, became the bride of Chester J. Ouellette, son of Mr. and Mrs. Richard Ouellette of Westbrook, in a ceremony at the home of the bride's sister and husband, Mr. and Mrs. Gregory Cummings, Locke Mills, Feb. 14. JACKSON-SILVER POST & UNIT MET MARCH 4

Jackson-Silver Post and Unit #68 American Legion and Auxiliary of Locke Mills, met for their regular meetings Thursday, March 4. President Cathryn Lovejoy opened her meeting in form as did Commander Lovejoy. Treasurer Vera Cross gave her report and secretary Grace Smith read the minutes of the last meeting and the correspondence that included a thank you from Vice president Dorothy West for the gift given her while she was in the hospital for phlebitis, that followed her broken ankle. There was a letter from Joyce Quinney of Scarborough, seeking the Unit's support at the upcoming State convention.

The Americanism chairman gave a good report on the March 28 Americanism Night and thanked all who helped in any way.

Plans were completed for the Legion's 57th Birthday Party, on March 18. A 6:30 pot luck supper and a special cake will be had. Oxford County President Alice Miller of Dixfield; District Commander Merle Williams of Wilton and possibly Dept. Adjutant Dan Lambert of Waterville, will be among the guests, as well as County Commander Raymond Tripp, Bethel.

The Legionnaires appointed their nominating committee as follows: Leland Dunham, Warren Smith and Stanley Sargent.

Charter member and Past Commander Charles Andrews, who is spending the winter with his daughter, Judy Kampermann and family in Gillett, N. J., isn't feeling too well, so the members signed a card for him and one for Rowena Dunham, who has also been ill. We are happy to report that Past Commander Fred Mason is home from the hospital.

A short memorial service was held and the Charter draped for our deceased sister, Minnie Churchill of Conway, N. H. Taking part were President Lovejoy, Vera Cross and Chaplain Cummings.

A large group of Boy Scouts and their fathers from Massachusetts were staying at the Legion Hall from Thursday night until Sunday. The Unit's children and youth chairman Grace Smith baked a big cake for them. It was also her birthday.

On the Job With Emily

The big news in the Maine Legislature during the past week was the action by House and Senate to override the Governor's veto of the Compromise Education Funding Bill. The votes came on March 4 after Gov. Longley advised the legislators of his veto. The vote in the House was dramatic. It was necessary to secure the votes of 24 of those present to override and at first tally one vote was lacking, so Rep. Devane of Ellsworth switched his vote and the override was accomplished. Rep. Saunders voted to override, despite receiving some individual persuasion by the Governor at a Civic Center reception the previous evening. She was convinced that despite the drawbacks in the bill, turning it down at this point would create immediate chaos, and would increase the monetary problems facing the state by continuing the 1452 funding levels. Emily received some constituent opinions during the week end prior to the veto vote, and felt that most of these contacting her were in favor of the switch in tax burden from property to income tax.

Money will continue to be the issue in the weeks ahead for the legislators. Hearings are being held this week on the University of Maine budget. Emily has received a lot of mail from District 83 residents attending branches of the University, particularly Portland-Gorham, expressing concern over the fate of courses and programs. She has answered many of the letters individually, and wishes to express to all those writing the fact that she is concerned and appreciates their contacting her.

The House gave all but final approval to the "Item Veto" bill which would allow the Governor to veto particular appropriations in

a package bill without vetoing the whole measure. The legislature could then attempt to override the veto, with the percentage needed (2/3 or a simple majority?) one point still under consideration. This concept is regarded as an important step in governmental reform but has run into opposition from some of its former supporters because of the conflicts with the present Governor. Emily voted for the bill because of its reform qualities. She is convinced that whatever else the 107th Legislature is remembered for, its tremendous accomplishments in governmental reform are probably most worthy of note. Other reform measures have been the abolition of the Executive Council, and the establishment of single-member districts, passed during the regular session.

The Republican controlled Senate finally killed a measure which would have barred telephone companies from charging customers for directory assistance calls. The House gave all but final approval to the bill last week, but the Senate voted it down. The defeat of the measure will allow the phone companies to request permission from the Public Utilities Commission to institute the charge. Emily is a member of the legislative committee which held hearings on the bill and was one of the representatives issuing a minority report in favor of the bill, and later voted for it in the house.

I would like to thank the voters of Bethel who supported me in the March 1 election.

Town meeting at Bryant Pond was well attended from this end of the town. The Willing Workers provided a midnight snack for the group in charge of the president, Sheryl Wilbur and helpers. Vernon Poland retained his position as road commissioner for the town. The trend was to raise prices and salaries in general. I wonder when people will wake up and realize this can't go on forever. New York discovered that at the expense of all the other states who put trust in her. Did you see the pictures showing how many Eastern States were involved in business dealings with the state? Let us be a little bit more conservative in our town.

**OXFORD POMONA #2**

Oxford Pomona #2 met with Paris Grange #44 at South Paris March 2 with a 6:30 supper preceding the meeting served by the host Grange.

This being visiting officers night, Albert Greenwood, Androscoggin Pomona, held the Master's chair, and Vera Whitman, the Lecturer's position. The pianist was Ruth Chute, Bear Mountain Grange. Other officers were from New Century, Androscoggin and Cumberland Pomonas.

The honored guests were State Master and Flora, Mr. and Mrs. Ronald Bagley, Executive Committee member and wife, Mr. and Mrs. Erwin Webber, and several State Deputies.

Past Master Fred Judkins spoke on the milk situation in Maine which Brother Bagley enlarged upon in his address during the program. They urged all to support the Maine Milk Commission to insure Maine consumers of pure wholesome milk. Much of the milk is being diluted and supplemented with dry powdered milk.

This dried milk is being shipped into Massachusetts from foreign countries for this purpose. This is finding its way into Maine from that State. Our citizens prefer pure unadulterated milk which the smaller dairies are giving us. The commissioners are trying to protect these small companies and its people who want real milk from these companies who desire to rule the milk kingdom and will do anything to gain their object. They urged all to back this commission.

Brother Judkins also spoke on 'Project Pomona' in which the National Grange is trying to promote a tape program on our radio stations called 'Network of Grange Radio Programs'. These tapes are on various subjects of interest to all. This is to advertise the Grange work and advantages to be gained by being a member and benefits gained. It was voted to contact Androscoggin and New Century Pomonas to see if they would cooperate in carrying out this project.

An invitation was received and accepted to fill the chairs at Rumford for New Century Pomona, April 14. A 6:30 supper will be served.

Brother Ronald Bagley presented Pleasant Valley Grange Past Master Helen Saunders, and the present Master, Suzanne Grover.

MAKING BUTTER—Becki Cobb and Laurie Littlefield look on as Sam Elliott demonstrates molding homemade butter in a Natural Foods Class at Telstar.

The Forgotten Art of Making Butter was the subject of Sam Elliott's demonstration in Mrs. Chandler's Natural Foods Class at Telstar Regional High School, Friday, March 5. Mr. Elliott and his wife make all of their own butter from two cows. He used old fashioned butter molds to shape the butter into decorative designs. Mr. Elliott discussed the nutritive importance of drinking unpasteurized milk and eating unpasteurized butter. The enzyme lecithin is present in both and works to reduce the amount of cholesterol in foods.

Natural Foods is a new course at Telstar this spring. Interested students have found the course very informative. They are learning advantages of eating less processed foods and will be cooking with several natural foods as the course progresses.

with a \$100 check for the first prize in Community Service Project for 1975. Pictures were taken to be put in the papers.

During Brother Bagley's address he spoke of advertising the Grange. The National Grange has set a goal of 600 members this Bicentennial year. Brother Bagley said "You have to believe in and become involved in Community Service. Help to sell the Grange."

Sister Bagley talked on Junior Grange work and agreed that one must be involved if anything is accomplished.

Brother Francis Conant auctioned off a cute little doll made over a pringle can and a flowered pillow for the scholarship fund on which \$9.95 was realized.

A ghost skit on safety in the use of electricity was presented.

The meeting closed in form until April 6 when the fifth degree will be conferred at Oxford Grange, Welchville. A rehearsal was called for April 4 at Welchville.

CARD OF THANKS

Thanks to everyone for being so nice to me while I have been sick. For the cards, gifts and visits from friends and relatives, while I was in the Norway and Lewis ton hospitals.

Upton

— Mrs. Arline Bernier, Corres. —

The probability of the birth of
Christ happening as predicted in
the old Testament which science
has proven to have been written
long before the event, is one in a
figure of 30 zeroes. If each of the
200 billion stars of the Milky Way
was populated with 4 billion peo-
ple the ratio would still be less.
Who can believe that chance or
wisdom could hit a bullseye with
those odds!

Darwin's theory of evolution
states 2800 times, "Let us as-
sume—" Yet we allow our schools
to teach evolution and encourage
belief in it, and discard all Bibl-
cal teaching.

Fred Judkins, Mae Pederson and
Arlene Bernier went to South Par-
is Tuesday evening to attend a
regular meeting of Oxford County
Republicans.

Kathy Bernier came home
Thursday for spring vacation of
two weeks duration from Kentis
Hill school.

Leo Goulet of Andover was in
town this week to check his prop-
erty. He found it had been broken
into recently.

Maurice Richard had his home
on East B Hill broken into and an
attempt apparently made to re-
move a stove.

The bird population has been
seemingly smaller than usual this
winter, but there appears to be
more of the feathered friends ar-
ound recently.

DUNN/DOBKOWSKI WIN AT N. E. INTERSCHOLASTIC SKI CHAMPIONSHIPS

With Telstar skiers finishing
with a respectable fourth place
in the New England In-
terscholastic ski events held in
Vermont during the past week,
Mike Dunn and Eric Dombkowski
returned home as individual title
winners. Dunn led the 50 man
field over the Brattleboro, Vt.,
Cross Country Course in a time of
20:22 to win the 8 1/2 kilometer
run. Dombkowski concluded his
final ski meet for Telstar by win-
ning the highly sort after Ski-
meister award presented to the
top skier in all four events.

The events opened at Killin-
gton in 60° weather with limited
snow as skiers literally watched
as snow melted and ran off the
slopes.

The first event was to play such
a profound effect on the outcome
that team places were to never
change following the morning sla-
lom. Only eight of the 50 starters
in the first run of the two run
event were to escape disaster as
racers fell or were trapped in soft
ruts on the course as officials
worked to provide adequate race
condition by packing and salting.

Rutland brothers, Mike and Rich
Higgins finished the event one-two
with Kennett's Dexter Paine 3rd.
Telstar's double state winner, Tom
Steecher, finished fifth and team-
mate Peter Bodwell ended up in
14th.

The giant slalom course was
reduced in length and held to one
run due to poor course conditions.
Rich Higgins won the event with
Lyndon's Ken Welch second and
Gig Richards of Livermore Falls,
third.

Saturday's events moved 75
miles south to Brattleboro, where
skiers were greeted by even less
snow on the Latche's 40 meter
jumping hill. Once again warm
skies turned snow to slush as
jumpers worked to overcome the
conditions. Edward Little's Brad
Malo was the top jumper with Jim
Hastings of Hanover, N. H. sec-
ond, and Rutland's Tom Bradder,
third. Telstar's Dombkowski, Dunn,
and Stecher finished 11, 12 and 13
respectively to provide Maine its
only finishers in the top 15.

The cross-country took place on
the Brattleboro Country Club
course with Mike Dunn beating
Lyndon's Ken Welch and Corey
Schwartz of Kennett who were sec-
ond, and third as a large crowd
of spectators gathered around the
course to watch the action unfold.

Telstar's Eric Dombkowski finish-
ed sixth to round out Maine's de-
legation in the top ten.

Final team standings: Rutland,
VI, 385.88; Lyndon, VI, 364.07;
Brattleboro, VI, 358.67; Telstar,
348.68; Kingwood (Wolboro, N. H.),
320.12; Kennett (Conway, N. H.),
322.69; Livermore Falls,
319.19; and Edward Little (Aub-
urn), 303.80.

LEGION CELEBRATES
57th BIRTHDAY

During the month of March, The
American Legion will observe its
57th Anniversary. It was at a
meeting of representatives of the
various outfits of the American
Expeditionary Force of World War
I, convening in Paris, France, that
the American Legion was born.
The date: March 15-17, 1919.

Although the Armistice which
had ended the fighting had been
signed five months earlier—Nov.
11, 1918—there were still many
U. S. servicemen stationed over-
seas, eagerly waiting to be brought
home. But the grim experiences
shared in battle still lingered. And
was beginning to filter back
from Stateside that the nation
was ill-prepared to render "just
treatment to the veterans disabled
by the war and to the loved ones
of those who never would return.

Such were the motivating fac-
tors of that small group of war-
weary servicemen who gathered
to form an organization to seek
Justice for the veteran and his de-
pendents, Freedom for their be-
loved nation, and Democracy for
all who would honor and dignify
the rights of the individual.

Those founders 57 years ago un-
doubtedly had high hopes for their
organization, but it is likely they
did not envision the vast scope
and growth of the American Le-
gion. Since that time, the Legion
has become as much a part of the
American scene as hot dogs, base-
ball and Presidential elections. It
has grown to include 27 million
veterans of four wars residing
throughout the United States and
in several foreign countries and
overseas territories. The activities
of the Legion have extended into
just about every avenue of life in
the United States.

The American Legion has be-
come a powerful force dedicated
to the expression of love of coun-
try and to the American dream of
liberty and freedom for the indi-
vidual.

While its primary purpose is the
welfare of the disabled veteran
and the families of disabled and
deceased veterans, the Legion is
concerned for that which will pre-
serve the American heritage. It
has been most successful in its
endeavors to see that that which
has been bequeathed to us by the
sacrifices of past generations will
remain alive for these yet unborn.

The American Legion, and the
American people in general, can
take great pride in its accomplish-
ments. It is one of the movements
for which all Americans should
be extremely thankful.

Albany HUNT'S CORNER AND VICINITY

Harlan Bumpus, Corres.

Hello from Albany once again! We're all looking forward to spring and hope to spot the first robin before long.

Spring has already arrived at the Franklin Barton farm with the birth of three sets of twin holstein calves last week.

The roads in Albany are finally about free from ice. The road crews have done a great job caring our roads this winter and deserve a big THANK YOU from everyone.

Since the roads are fine our friends and neighbors are on the move visiting family and friends.

On Sunday, Dick and Kathy Bennett and sons, David, Danny and Douglass had dinner with her parents, Mr. and Mrs. L. G. Twitchell of Bryant Pond, and her aunt and uncle, Mr. and Mrs. Roydon Billings.

That's all from this side of the mountain until next week. Keep smiling!

The kids will be selling magazines starting this week from a catalog from which you can choose almost any magazine on the market.

There will be a supper at the Andover Town Hall this Saturday at 5:30, sponsored by the German Club; and a Ski-A-Thon also, in which members of the Girls' Ski Team will be skiing mile loops at Telstar from 8 a. m. to 4 p. m. without rest (except to eat) or until they can't continue.

The Magic Club will be showing Walt Disney's "Bedknobs and Broomsticks" Friday at 3:00 p. m. and 6:00 p. m. at the Telstar Auditorium. This is a merry mixture of live action and cartoon characters with additional helpings of comedy, drama and a fine musical score. Bewitching Angela Lansbury has been taking a correspondence course in Black Magic and plans to use her powers to thwart the World War II German Forces. She employs three Cockney orphans and a con man to help her and off they go using a brass bed as a broomstick. This is an all-time favorite of Disney's you won't want to miss.

The rest of this column is devoted to the German Club which was formed last year to raise extra money for the members to go to Germany this spring. The advisor is Mr. Taylor and the eight members are: Seniors, Debbie Buck, Anna Packard, Lillian Poland, Nancy Melville, Sharold Nuppala, and Pam Sidelinger; Juniors, Cathy Smith and Jack Taylor.

So far they have raised over \$800, but with tickets costing close to \$300 apiece, they can use all the money they can get. Besides, they only have another month or so to go before they leave. The only office held is that of treasurer by Lillian.

— Mrs. Colista Morgan, Corres. —

I devoted one afternoon to a walk that I have long had in mind, a walk between the ponds and on to Patch Mountain.

The day was pleasant; cool, easterly winds blew, yet, plenty of sunshine. For some time I had watched for a time when the trail would be open. Today, I really thought it would be too soft to travel but it wasn't. So I began my journey into an undulating sea of whiteness with trees and bush clumps. Winter trees, gray and silent, some gnarled and twisted.

In a few minutes I was on Turtle Bridge where the water was flowing in the lovely patterns of light and shade among the willows and alders; where the sloping land touched the waters. I stopped to watch the bluish waters rippling almost noiselessly in the afternoon light.

There were marks of myriad feet which had already been abroad.

Beyond, the trail rises, to pass by a camp, all banked with snow.

I observed the tiny tracks of mice around the stems of weeds and the triangular tracks of rabbits. Water turns to ice, rain to snow but the little furred creatures survive the stinging nights and woods covered with frost and snow. They again see the sun rise.

Turning right I now was within the forest quite alone. The path soon began to ascend. I looked to the right where I go in summer and I pictured the lady slippers which I did not get a chance to see last spring.

The stillness was impressive. The trees and shrubs reared their arms to the sky on every side.

What could equal the sun on a winter's day when the chickadees hiss his call in the woods. I could feel the beams on my back as I tread my way up the hill ahead. I removed my mittens and fastened my coat.

When I came to the log bridge which crossed the brook going to "my" waterfall I thought how the great rocks would be mottled with leathery patches of lichens beneath the ice. I stood for a moment gazing at the curving, clean landscape. An expectant hush lay over the hill side, the frozen brook, and the trees as I started once more.

WOODSTOCK CHAMBER MET FEBRUARY 11

The February meeting of the Woodstock Chamber of Commerce came to order at the Firemen's hall with eight members present. Minutes of the last meeting were read and approved.

Old business. Because of cost and maintenance involved there has been no skating rink this year.

The brook has been dredged. Herb Whitman has offered to leave the land in back of his store for recreational purposes to the town for the period of five to ten years for a fee of one dollar per year. This is to be used for a ball field and park. Alice Johnson suggested that there be provision for young and old alike at this site with benches for adults and play area for small children.

It was voted that Helen Morton be asked to paint a picture of the Hop House at Harry Howe's to be donated to him in thanks for letting the town use his property as a parking area for the Bicentennial and other events.

Ruth Tyler expressed gratitude for the Chamber's sponsoring of a tree each year. Dennis Corbin suggested that perhaps it might be worthwhile to have a tree planted permanently in the spot used.

\$2500 has been paid to the Spruce Mountain Environmental Education School and a nice letter of thanks was written to the Chamber by Mr. Hardy.

New business. Alice Johnson read a letter written to the Chamber by Mrs. Bacon. The letter expressed thanks to the members for their sympathy at Mr. Bacon's passing and encouraged continued support of the activities of the Chamber.

It was voted that the Chamber donate \$248.25 for the dredging of the brook.

It was mentioned that there will be another weekend of celebrations again this summer and it was noted committees should be formed and groundwork begun on this endeavor. It was suggested that if possible it would be appropriate to have the festivities on July 4. Mr. Felt mentioned that that there will be an article in the town report requesting \$500 for this purpose.

A nominating committee to choose officers for next year was selected. The members are Richard Felt, Ruth Tyler and Alice Johnson.

The Bethel Ambulance Service has an opportunity to purchase a Back Up Unit for \$1,500, completely equipped. This is needed badly, as the Answering Service, we find many times that the one ambulance in and the people have to be transported by the Sheriff's Department, auto, or calling an Ambulance from out of town. The Town should help in purchasing this vehicle, the Ambulance Service gives out much more often than the Fire Department and the Town purchases equipment, not disposed, equipment that the Fire Department needs, however, we have to place priorities and the Back Up Unit should be purchased immediately for the safety of our Town.
